Lessons 19-24 / consolidated draft review

22 available workbook pages / four screen sizes

Pages 86-87 remain BLOCKED: missing original scans.

The original workbook has no subject pictures on these pages.

No pictures, audio, canonical text or derived exercises changed.

Full-width cream page, normal Listo and color controls.

Portrait uses short trace/write pads to fit; desktop pads are larger.

Sideways phone scrolls vertically, with navigation after the content.

Trace cards repeat canonical writing regions; unsupported letters use freehand.

No exact wide mockup approval claimed. Review before any live integration.

Checks and per-page status are in README.md and ledger.md.

Nothing merged, deployed or opened as a pull request.

Lesson 19 / page 67 / 1440x900

Original workbook

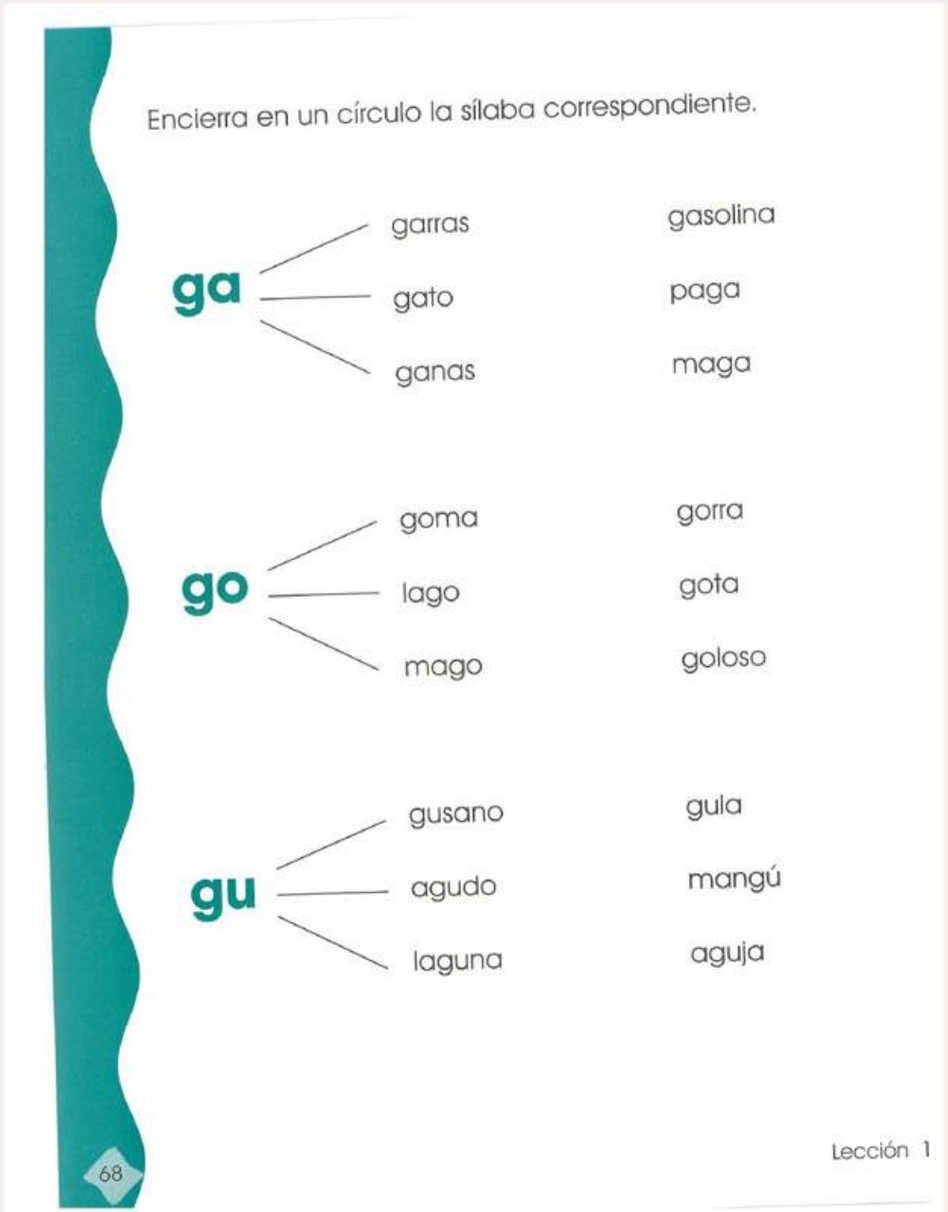

Draft interactive page - not installed live

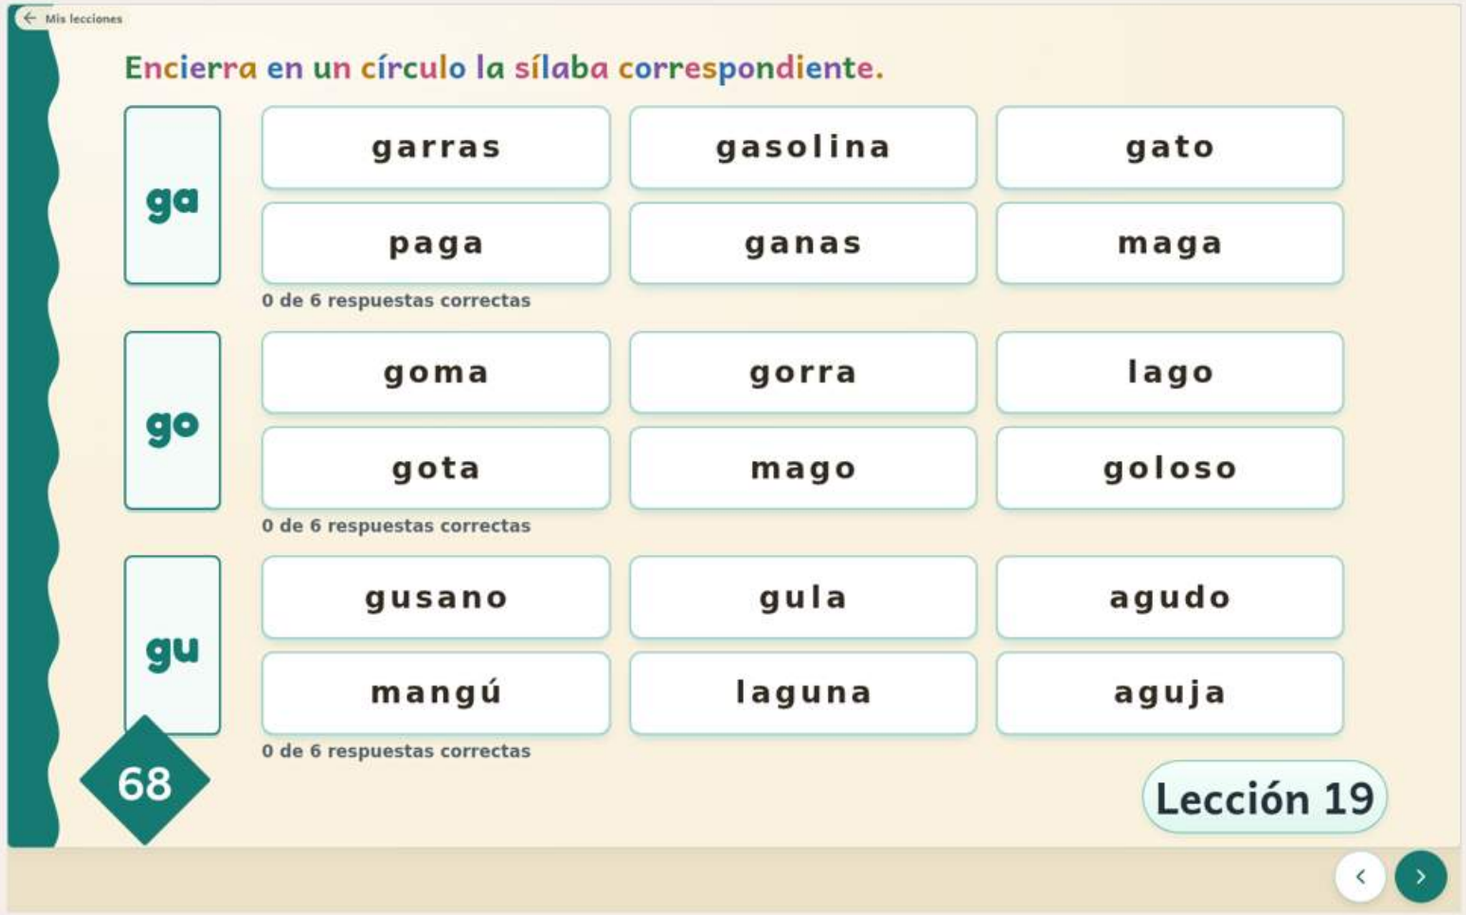

No new pictures. Interactive layout differs from the printed writing lines.
